ABOUT THE COLLEGE

St. Gregorios College, Kottarakara is an arts and science college, located in Gregorios Mount, a scenic and serene site of Pulamon in Kottarakara, Kerala State. The college was founded in 1964 as a junior college by His Grace Mathews Mar Coorilos, the Bishop of Kollam Diocese of Malankara Orthodox Church, who later became His Holiness Moren Mar Baselios Marthoma Mathews II, the Catholicos of the East and Malankara Metropolitan. The college takes the name from Saint Gregorios of Parumala, who is our patron Saint and first canonised Saint of Orthodox Church. The affiliation of the college is with the University of Kerala, Thiruvananthapuram and the Sponsoring Agency is the Community of St. George, Bethlehem Ashram, Chengamanadu, Kottarakara.

The college had a very humble beginning with only a few pre-degree batches in science, arts and commerce subjects. The College entered the second phase of its development in 1976 with the up-gradation as a first grade college with the introduction of degree courses in Botany, Chemistry, Mathematics, Physics, Zoology, Politics and Commerce. The latest addition to this list is the BA Communicative English programme started in 2001. We currently have four postgraduate departments - Chemistry (1995), Mathematics (1998), Physics (1999) and Commerce (2013).

THE IQAC

An Internal Quality Assurance Cell (IQAC) was constituted in St. Gregorios College, soon after its first accreditation in 2006. The IQAC had led the College in post-accreditation quality sustenance and enhancement until the College was re-accredited by the NAAC in March 2015.

Programme

SESSION I 10-10.30 AM INAUGURAL SESSION
