FORESTRY CLUB (2019-2020)

REPORT

The inauguration of the forestry club for the academic year 2019-2020 was conducted on 20.12.2020 at Botany Department of S.G College, Kottarakara. All the students of Forestry club took active participation in organizing the function. The gathering was welcomed by Dr.Archana G.R (Club co-ordinator), Head, Department of Botany, S.G College, Kottarakara. Our College Principal, Dr. Suman Alexander delivered the presidential address and discussed the importance of forests and its conservation. Dr Sivu A.R, Assistant Professor, Department of Botany, NSS College, Nilamel was the guest of honour for the function and the club was inaugurated by him. The felicitation was made by Prof. Shalaj.R(Club co-ordinator), Department of Botany, S.G College, Kottarakara. Vote of thanks was delivered by Abhijith.S, III DC Botany (student representative).

The function was followed by a very informative talk by Dr Sivu A.R on the topic “Biodiversity Conservation”. Powerpoint presentation was also made. Later there was an interactive session with the students. The presentation proved to be very effective for the students.

As part of the forestry club activities, students were involved in the planting and maintenance of herbal garden at S.G College, Kottarakara. Many medicinal plants were planted by the students. Later a visit was conducted to Meenpidipara, an ecotourism centre near S.G College, Kottarakara. Students were involved in cleaning and waste disposal especially the plastic waste from Meenpidipara. The students actively collected many plant species from different localities and maintained them in the herbal garden of S.G College, Kottarakara.

Club co-ordinators: Dr Archana G.R
